

Elements Camp Service Team 27th–31st July 2024

What is Elements Camp?

It is a Shropshire County Camp for Girl Guiding members including Brownies, Guides and Rangers.

Where? near Newport, Shropshire

When? 27th–31st July 2024. Some service team may be needed on the 26th of July too.

What is the Service Team? A group of volunteers, Rangers and Young Leaders who help run the camp for the participants. The tasks involved will be many and various. The Service Team have their own sub camp (the Super Stars), the opportunity to make new friends, to be part of something special and have some activities of their own, just for fun.

What could I get out of being a member of the Service Team?

If you are working for your Queens Guide Award it could cover the Social Experience Challenge and it could count for the Duke of Edinburgh's scheme Gold Award residential section too.

How much will it cost?

There is an early bird discount if you book before 31st December 2023. You need to pay a non-returnable deposit of £25 within 28 days of booking.

The fully catered option is £129 (or £135 if booked in 2024). Being a member of the service team can be very busy, so the fully catered option is suggested as the best one.

If you want to self-cater to any degree, you will have to organise this as we do not have a QM in the service team sub camp. A group of friends might get together to share cooking if you would prefer this option. We will, however, have facilities for making hot drinks on the sub camp and a supply of snacks to keep you going.

The fee gets you a badge t shirt and neckerchief too.
