

Shropopoly Challenge

Badges are available from
badges@girlguidingshropshire.org.uk
£1 each plus p&p

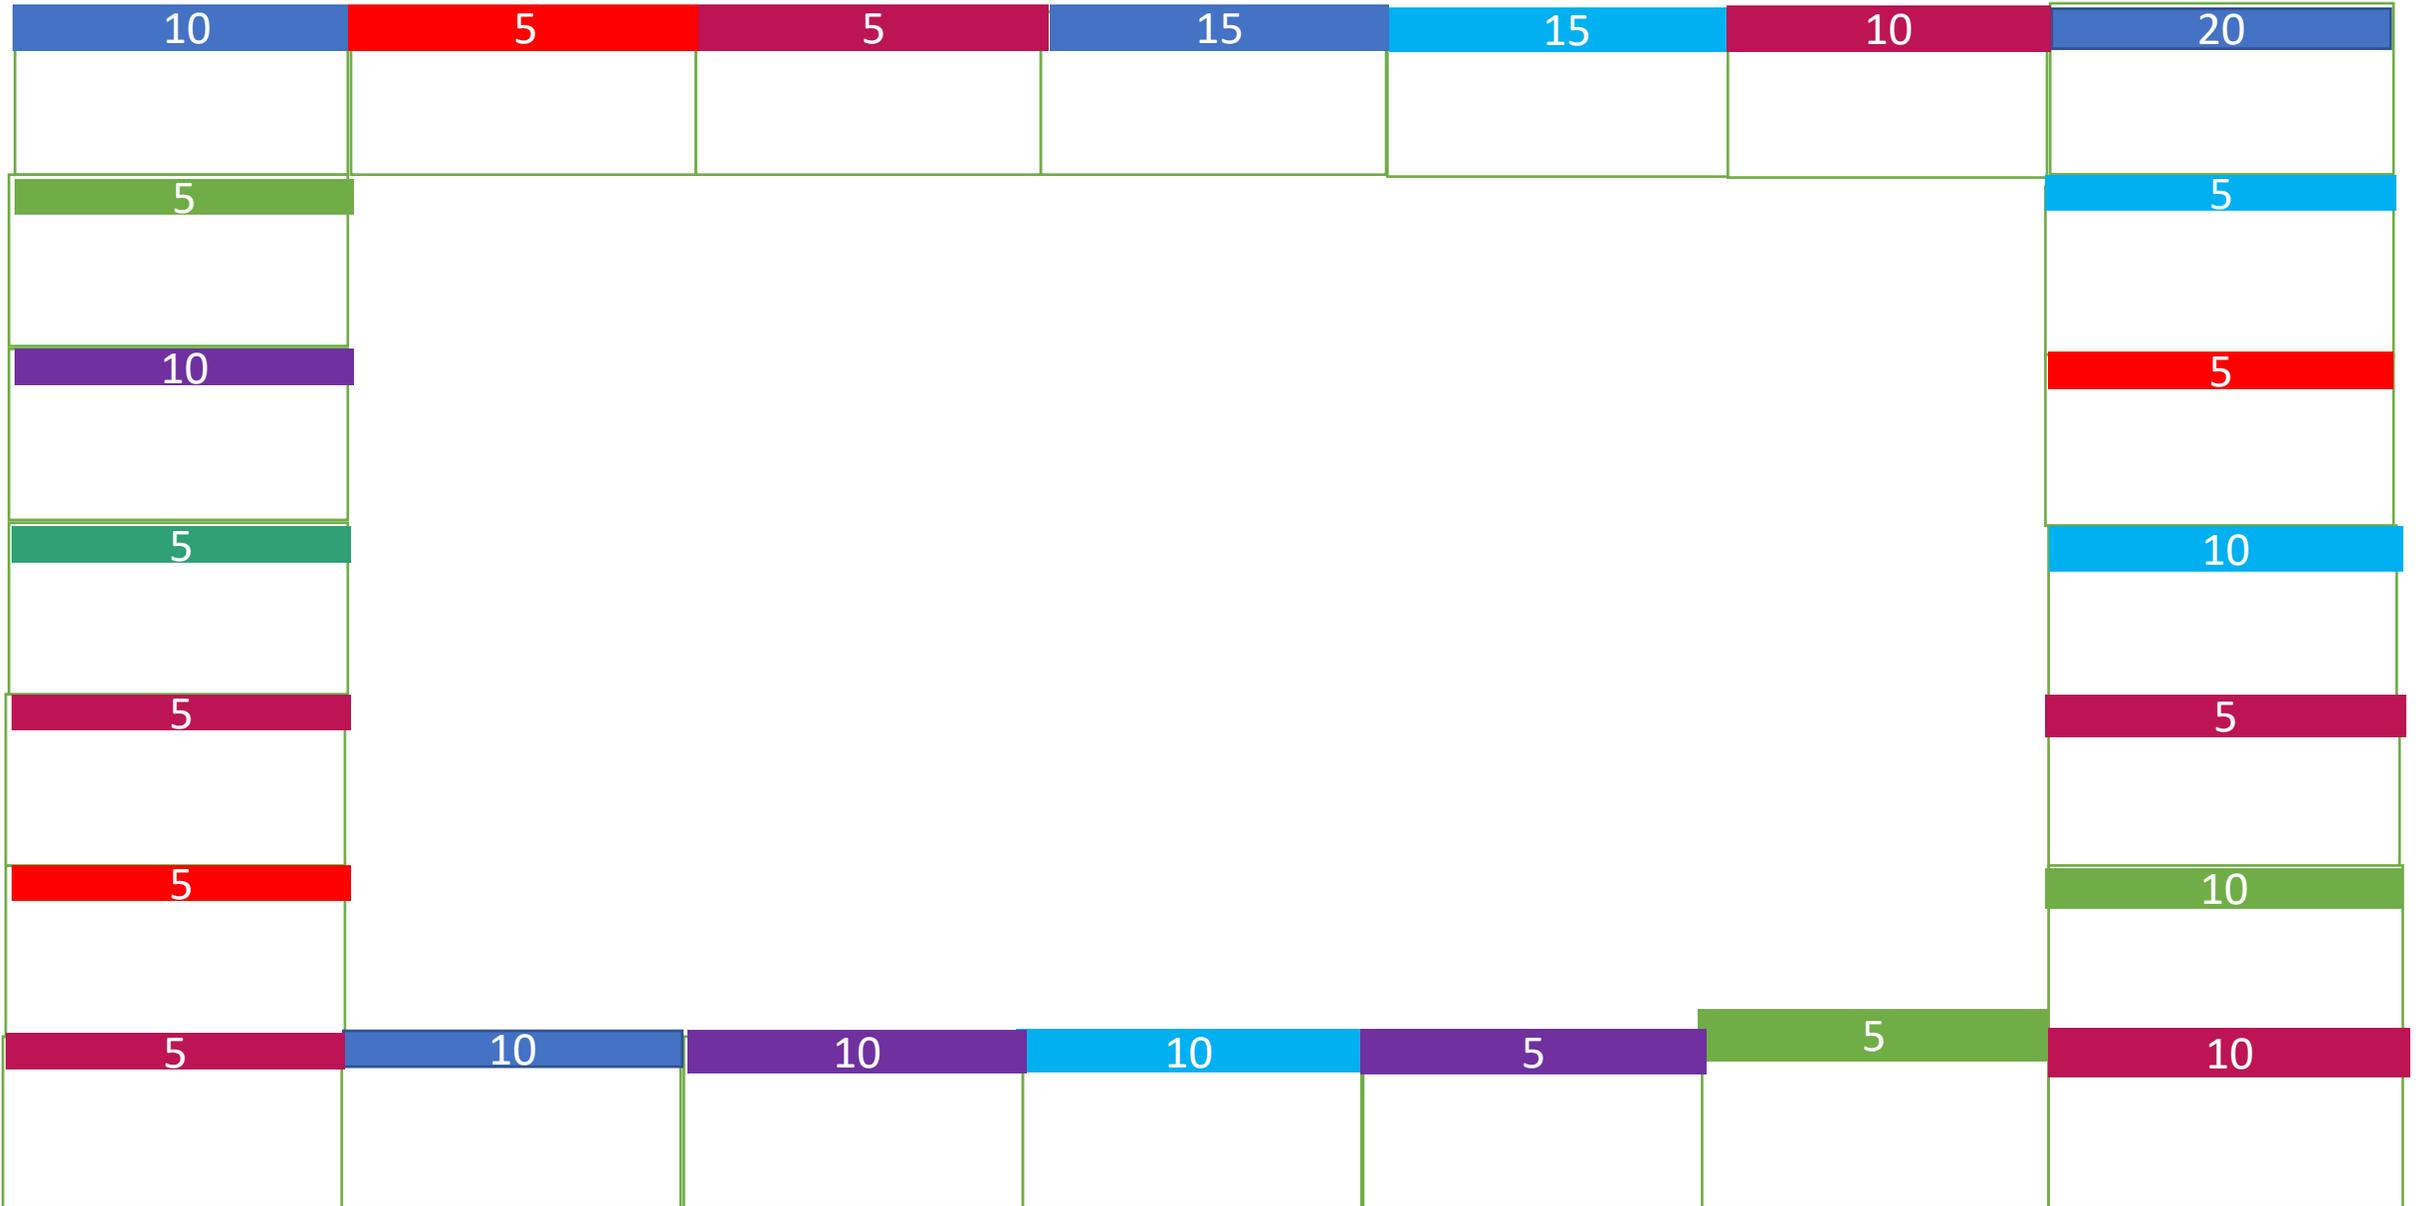

Can you create a Shropopoly board for your area and play the game with your Unit, District or Division?

1. Use your local areas points of interest to create a wide game that can be used by members of Girlguiding Shropshire
2. Create some bonus questions about your area that the answers can be found when exploring around
3. Bonus photo pictures are great (please use the #GirlguidingShropshire if you share them)

We would like to build up a collection of challenge boards for the county so please email your board to rangers@girlguidingshropshire.org.uk

Example boards and templates are included in this pack but Google 'make your own monopoly board' for lots of ideas!

You can print off and use our simple template or make your own! What about something like this?
