

Elements 2024 Brownie Camp

Snapshot of camp life

Adventure is an essential part of the Brownie Programme and what better way to experience that than at a county large scale event! We hope you find this information useful and if you have any further questions then just email us at events@girlguidingshropshire.org.uk

What's included?

The camp fee includes the cost of the camp and all activities. Everyone will get a camp T-Shirt, a sub camp necker and an Elements blanket badge included in the price. Hoodies will also be available at a separate cost.

The cost of food is on top of the camp fee to give units the choice to do what suits them best.

There will be camp shop where participants can buy badges and small gifts and a cafe for sweets etc.

Camping with your Brownies

Elements county camp is an ideal way to have adventures in a safe and supported environment. Brownies will be part of their own sub camp and there will be dedicated camp leaders available to help with tents, settling in and all parts of camp life.

Whether you are experienced campers, or this is your first time with Brownies you can tailor your experience.

Crafts

Some of the activities are programmed and some self-led. There will be plenty of free time to make new friends, chill out and enjoy camp life.

Evenings will also include entertainment and you can decide if you want to take part in these activities or catch up on some well earned rest!

Visitors Day

Sunday is visitors' day and we will be joined by other Rainbow and Brownie units. The Brownies will be part of the main camp activities. To finish off the day there will be a campfire and of course, marshmallows!

Equipment

Need to borrow tents? Many units and districts across the county have camping gear and we can help you join together or borrow what you need. There will be plenty of outdoor cover whatever the weather.

With a choice of catered or self catered options you can decide how self sufficient you want to be. This will also determine how much 'stuff' you need to bring.
